Visit: www.athletic.net and login if you've used before or create an account.

Deadline for entry is: 10am, Wednesday, April 10th

You will enter your relay teams, names have to be added but it will not matter if you change them later unless they set a record, then please report that to Alpha Timing. You will enter your scoring relay as Varsity and non scoring at JV.

You will enter your Non-Scoring athlete with no time/no distance. Your scoring athletes should all be given times/marks.

Be sure to enter your entire team into the roster in the system so that if you need to change to another athlete they are in the download. We won't have time to enter new names meet day, only change to names who are already in the database we have.

***we do not have the ability to put the Giant Medley in the system so a quick email to: michelle@alphatiming.net to let us know if you will have an entry in this event will be needed.

Junior Varsity heats will run first in each event when there are 2 heats. JV teams will be listed as exhibition teams in results and will not be scored in accordance with the meet information.
