Rushville CC Invitational Entry Info

- Entry will be done via www.athletic.net Online Entry. Instructions on how to use the system are posted there. Use the help within the program for help with it. Please read fully before emailing with questions.
- **READ the emails we send via athletic.net as they contain important information for you.**
- Meet info is also posted @ www.alphatiming.net Event Info tab to view at any time.
- If you have an account with us from another meet this season or last year, CC or track, use that username & password. No need to create new accounts each year/season. Use the forgot password feature if you need help. Use the same account for CC & track by choosing Manage roster for the one you want to work with. No need for different accounts for boy/girls either, if you coach/manage both.
- Enter EVERY athlete that has any potential to run, please help us by not 'forgetting' any runners. There are ample opportunities to check and re-check your entries for missing athletes, spelling, correct genders, etc. We are not concerned if they do not end up running once entered.
- USE proper names for each athlete. If you have a Joe but his name is Joseph use Joseph to register him, the IHSAA wants proper names used throughout the season.
- Simply enter your COMPLETE roster for each gender, include grade levels for each.
- REMEMBER this is a **2 STEP entry process!** Entering your roster is only step 1. **STEP 2** is going to MEETS and choosing REGISTER for a specific meet and following the instructions on this process you will enter your ENTIRE roster into the specific meet.
- No need to 'declare' your top 7 for Varsity, send any 7 of your registered runners to the line, unless your meet information says differently.
- **You may check that you have correctly entered within athletic.net on the meet page itself.** Please do not email us to ask us to check. We would love to but we have too many other meets to work on. ☺
