Use the forgot password feature if you need help with your password. Use the same account for CC & track by choosing Manage roster for the one you want to work with. No need for different accounts for boy/girls either, if you coach/manage both.
- NEW COACHES: best thing is to ask prior coach to log in, add you as coach then you can remove them. If not possible then email athletic.net support to be added as a coach, this can take up to 48 hours so plan accordingly.
- **USE proper names for each athlete in athletic.net.** If you have a Joe but his name is Joseph use Joseph to register him, **the IHSAA wants proper names used throughout the season.**

There are ample opportunities to check and re-check your entries for missing athletes, spelling, correct genders, etc. We are not concerned if they do not end up running once entered.

- **You may check that you have correctly entered within athletic.net on the meet page itself.** Please don't email to ask us, we'd love to help but with as many meets we have it is impossible.
