Please read this page fully, it will answer most questions!

- **Entry will be done via www.athletic.net Online Entry.** Instructions on how to use the system are posted there. Please read fully before emailing with questions.
- **Meet info** is also posted @ www.alphatiming.net event Info tab to view at any time.
- If you have an account from another meet this season or last year, CC or track, please use that username & password. No need to create a new account each year/season. Use the forgot password feature if you need help with your password. Use the same account for CC & track by choosing Manage roster for the one you want to work with. No need for different accounts for boy/girls either, if you coach/manage both.
- **NEW COACHES:** best thing is to ask prior coach to log in, add you as coach then you can remove them. If not possible then email athletic.net support to be added as a coach, this can take up to 48 hours so plan accordingly.
- **USE proper names for each athlete in athletic.net.** If you have a Joe but his name is Joseph use Joseph to register him, **the IHSAA wants proper names used throughout the season.**
- Simply enter your COMPLETE roster for each gender, include grade levels for each. Enter into the meet EVERY athlete that has any potential to run, please help us by not 'forgetting' any runners. There are ample opportunities to check and re-check your entries for missing athletes, spelling, correct genders, etc. We are not concerned if they do not end up running once entered.
- **2 STEP entry process!** Entering your roster is only step 1. **STEP 2 is going to MEETS and choosing REGISTER for a specific meet and following the instructions on this process you will enter your ENTIRE roster into the specific meet.**
- **You may check that you have correctly entered within athletic.net on the meet page itself.** Please don't email to ask us, we'd love to help but with as many meets we have it is impossible.
